TEAM ADVICE

MONEY TO USE - US DOLLARS

USD is best - not older than from 2006.
You can exchange to TSH shillings which is the money here.
The largest banknotes has the best rates. Some places you can pay with USD, but most places you need to have shillings. Credit cards can not be used in most places, but there are ATM machines many places in major cities.

PRICE FOR STAY

For attending Campaigns: Food and accommodation 50 USD per day per person.
For staying at our guesthouse: Accommodation 10 USD per day per person.

WHERE TO STAY

Depends of numbers of visitors - we can offer to stay at our NLO compound, where we have some guestrooms. There is also a shared kitchen and bathroom.

VISA AND AIRPORT

VISA can be obtained at Kilimanjaro International Airport or at Tanzanian Embassy in USA.
100 USD per person for US citizens.
We prefer You arrive and leave from Kilimanjaro International Airport.

TRANSPORT AROUND IN ARUSHA

We will be glad to help renting a vehicle with driver for your transportation if this is needed. The cost for this is NOT included in the 50 USD per day per person - it will be separate. We advice you not to ride on the local motorbikes or town busses. This is dangerous and can result in accidents or theft. Don't go with any strangers.

MEDICAL CARE ADVICE

Malaria prophylaxis, Mosquito repellent, Sunscreen, Hand sanitizer, Anti diarrhea medicine. - Ask your doctor if anything else.

BRING A FLASH LIGHT

DRESS CODE

GIRLS

Shoulders should be covered. Dresses or skirts must cover knees when sitting down. This is a must when visiting churches and sitting on the crusade platform. If the dress is short wear pants or leggings underneath. Remember many skirts become a little transparent in the sunlight, wear a sleeve underneath. Pants and shorts with legs that cover almost to the knee is okay while travelling or out on an excursion - and sleeveless tops.

BOYS

Shirts or T-shirts short sleeves. Jean's or pants - long legs. This is a must when visiting churches. Shorts with legs that cover almost to the knee are okay while travelling or out on an excursion - and sleeveless tops.

AFRICANS FIND THIS IMPROPRIATE

Boys, do not show your naked chest. Keep the shirt or T-shirt on. Girls, do not show your stomach or part of it. Of course this does not count at a swimming pool or beach. Also - if you have a lot of piercing take it of. Earrings for girl's okay.

The Tanzanian people are very kind and a welcoming people. Though be careful walking in Arusha or other places, never walk alone or in dark. Never leave a bag or camera in a parked vehicle or anything valuable close to a window during night hours. See this as a simpel advice!
